

III International correspondence Scientific and Practical Conference «PROSPECTS OF TRANSPORT COMPLEX DEVELOPMENT»

To participate in the conference are invited scientists, teachers, practitioners, doctoral students, graduate students, undergraduates, teachers of educational institutions, public figures, etc.

THEMATICS OF THE CONFERENCE

- Prospective directions of development of transport and transport activity, autonomous and unmanned vehicles
- Perfection of the mechanism of transportation process control
- Increase of efficiency, quality and safety of transportations
- Development of transport and logistics infrastructure
- Intelligent transport systems and information technologies in transport
- Personnel and scientific support of the transport complex

FORM OF PARTICIPATION

The form of participation in the conference - correspondence. Materials are provided to the organizing committee without a speech text with a report.

SCIENTIFIC CITATION INDEX

The conference materials will be placed on the platform of the scientific electronic library (eLIBRARY.ru) and indexed in the Russian Scientific Citation Index (RSCI). License agreement №1350-05/2016K from 25.05.2016.

The collection is assigned library indexes UDC, BBK and the international standard book number ISBN. The publication will be included in the fund of the National Book Chamber of Belarus, the National Library of Belarus, the Presidential Library of the Republic of Belarus, the Central Scientific Library. Yakub Kolas, National Academy of Sciences of Belarus.

TERMS AND PROCEDURE FOR SUBMISSION OF APPLICATIONS

The deadline for submitting applications, texts of reports, payment for participation in the conference is **september 30, 2017**.

Publication of the materials of the conference - **November 2017** The publication will be sent to the author at the address indicated in the application and posted on the website www.transtekhnika.by

Forms of documents for participation in the conference, requirements for registration, cost and payment procedure are posted on the official website BelRIT "TRANSTEKHNIKA" - www.transtekhnika.by

CONTACTS OF THE ORGANIZING COMMITTEE OF THE CONFERENCE:

Republic of Belarus, 220005, 22 Platonov Str., Minsk, room. 1004
phone. +375 17 293 64 47, +375 29 558 51 76; e-mail: io@niit.by

SCIENTIFIC AND PRACTICAL FORUM «TRANSPORT AND INNOVATION» TOPICS: «INNOVATIVE SOLUTIONS ON PASSENGER TRANSPORT»

To participate in the forum are invited scientists, teachers, practitioners, doctoral students, graduate students, undergraduates, public figures, etc.

SEMINAR:

"PERSPECTIVES OF DEVELOPMENT OF PASSENGER VEHICLES FOR ESTABLISHING SUSTAINABLE TRANSPORT SYSTEMS»

DISCUSSED QUESTIONS:

- Prospective directions of development of passenger vehicles on autonomous electric traction
- Prospective directions of development of passenger vehicles on gas engine fuel
- Prospects of unmanned control of passenger vehicles

SEMINAR:

«INFORMATION TECHNOLOGIES FOR PASSENGER TRANSPORT»

DISCUSSED QUESTIONS:

- Automated dispatch control systems for passenger transport
- Automated travel payment systems for passenger transport
- Automated systems for selling ticketing products and informing passengers about transportation services

TERMS AND PROCEDURE FOR SUBMISSION OF APPLICATIONS

The date of the forum is **October 4, 2017**. The deadline for submitting applications for participation in the forum is **September 25, 2017**. To the address of the organizing committee it is necessary to send an application for participation and presentation of the report by e-mail. Forms of documents for participation in the forum are posted on the official website of BelNIIT "TRANSTEKHNIKA" - www.transtekhnika.by

CONTACTS OF THE ORGANIZING COMMITTEE OF THE CONFERENCE:

Republic of Belarus, 220005, 22 Platonov Str., Minsk, room. 1004
phone. +375 17 202 14 94, +375 29 533 84 30; e-mail: us@niit.by
